Item # 900729-23, Aeroquip 900729 Support Clamp

These lightweight neoprene-coated steel support clamps are designed to support hose where long runs are necessary.

This clamp not only provides a cleaner installation, it prevents damage, exposure and chafing.

The neoprene lining will withstand high ambient temperatures.

Sizes Available: .25", .38", .44", .50", .56", .63", .69", .75", .81", .94", 1.00", 1.06", 1.13", 1.19", 1.25", 1.31", 1.50", 1.56", 1.75", 1.81", 2.00", 2.06", 2.25", 2.50", 2.63", 2.75", 2.88" and 3.56".
